

*"The secret of making dreams come true can be summarized in four C's. They are Curiosity, **Confidence**, Courage, and Constancy; and the greatest of these is **Confidence**." ~ Walt Disney*

*"But blessed is the one who **trusts** in the LORD, whose **confidence** is in Him. ~ Jeremiah 17:7*

What a year!

Before this year began, we at MRO dreamed and believed that 2016 would be a year of **#ImmeasurablyMore**. We always remained **confident** that we would see God do, through the time and efforts of this ministry, "**Immeasurably More**" than we could even hope or imagine. As we look back on this past year, indeed He has; our **trust** and **confidence** has been rewarded!

What have we seen God do this year? Children, young people, singles, men and women, young and old, and families drawn to the presence and truth of God's Word and His Love for all of us. It has taken place in garages, motorcoach lots, homes, businesses and race shops. Everywhere MRO is privileged to serve, teach, encourage, both inside and outside the race tracks, God has been so obviously present meeting the needs of many whether issues of health, finances, marriages, things past, present and future that are both highs and lows of all our daily lives. A community defined by each one's unique relationship to racing, but finding greater value and purpose in life through their personal relationships with Jesus Christ.

Throughout the year, we have been blessed by the **trust** and **confidence** we have received from those whose lives we are a part of. Nothing means more to us than to know you feel comfortable counting on us, and we count that as an honor.

To list all we have seen God do this year would take many more pages than an envelope can contain. Almost daily, we have seen God reveal Himself in ways that trust and **confidence** in Him have increased consistently and greatly in the lives of so many we know and love.

Thank you for being a part of this ministry and the work God is doing amongst those we serve. **Thank you** for praying and providing financially, so we can share the life and teachings of Jesus with so many. **Thank you** for cheering us on and encouraging us with kind words, notes, letters, gestures and even those simple smiles which mean the world to us.

2016 is coming to an end, and once again **we would like to ask you** to think about MRO as you consider your year-end charitable giving. Your financial support will help us finish paying all the bills of this past season (a few do remain) and give us a head start on our 2017 budget. As for 2017, we can **confidently** say that we will go into the coming year with great expectation! As we pray for direction for the new year, we already believe, have **trust and confidence that** God will continue to reveal Himself in amazing ways to those who will simply look to Him!

So buckle up! Get ready! **Trust** Him! Be **confident**! With **curiosity** dream big and with great **courage**, together, let's walk with **constancy** into 2017 and just see what He has in store!

Blessings and a very Merry Christmas,
